All of our employee and Assisted Living/Retirement Living Covid-19 test results have been reviewed and we are pleased to report no new Covid-19 cases have been identified at Presidential Oaks.

As a result, Presidential Oaks will return to the previous visitation schedule for family and friends as of today, Friday, Oct. 8 at Noon.

However, it is imperative for ALL visitors entering the building to be aware that they must wear a face mask AND face shield while in the building. Both mask and face shield must remain on during the entire visit including time spend in resident rooms.

Thank you for your cooperation during these challenging times.
