

January 3, 2022

Dear Residents and Family Members,

First of all – Happy New Year!

As the calendar flips to 2022 we unfortunately are still dealing with the Covid-19 pandemic and the increased number of cases in Merrimack County as the virus continues to mutate.

This letter is to once again inform you of more positive Covid-19 cases in both residents and staff at Presidential Oaks. This latest incident involves residents on the 2nd floor and we are currently testing all residents and staff to determine the scope of the infection.

As a result, Presidential Oaks will return to scheduling visits for 2nd floor residents. Appointment times will be from 10 a.m. to noon and 1-4 p.m. daily in the 2nd Floor Dining Room and Activities Room. Again, this is for 2nd floor only. We anticipate this to be a temporary situation until we can get a handle on the outbreak.

For all visitors

- No more than two (2) visitors per resident at a time
- All visitors must be screened for temperature and Covid-19 related questions upon entry
- No children age 16 or under will be allowed to visit at this time
- No eating or drinking during visits
- Masks must be worn at all times and must cover both your nose and mouth
- Visitors to the 2nd floor must wear a N95 or KN95 mask. It is also suggested visitors to the 3rd floor do the same, although not required
- Sanitize your hands
- Maintain a 6-foot social distance during your visit

As a reminder, staff members are permitted to discontinue a visit if a guest does not comply with these requirements. There are **NO** exceptions!

To schedule a visit – either in person or virtual – contact Selma at 603-722-1963.

We will hold our Covid-19 Booster Clinic on Friday, Jan. 7 from 2-4 p.m. and all residents, staff and their family members are welcome to attend. Just call 603-225-6644 to reserve your appointment.

Sincerely,

Chris Cavarretta, Administrator
